

Dear Friend,

This package contains all the information you need to apply for reduced rates for Christian counseling at Good Counsel.

For years Good Counsel, formerly known as Bear Valley Counseling, has provided quality, affordable Christian counseling at below market costs. Thanks to the generosity of area churches and individual donors, we are able to offer Reduced Rate Packages (typically for 3-5 sessions) for those in need, as funds are available.

We recognize that people who invest in their care tend to place more value on the counseling experience, and often progress more quickly. That is why we require clients to contribute financially toward their counseling and don't offer free counseling services.

Please review the following Reduced Rate Application and Policy and use them to apply.

If you have any questions, please give us a call.

Because He lives,
